CUTTLEBONES, MINERAL BLOCKS & TREATS

2 IN 1 E-CUTTLEBONE / MINERAL BLOCK

- Enriched with vitamins and minerals: enriched with omega 3 fatty acids, honey, and vitamin B – all necessary nutrients that support healthy bones and plumage, as well as avian energy needs and egg production.
- Less brittle than regular cuttlebones: enriched with vitamins and minerals that make the product less brittle.
- Bright mineral block colors encourage the natural pecking instinct while trimming and conditioning the beak.
