Introducing our exciting new line of

Natural Cat Toys WITH SILVERVINE

Silvervine is the newer & better alternative to catnip

- 1.** Cats play two and a half times longer with toys with Silvervine, than those with regular catnip. 
- 2.** 3 out of every 4 cats prefer toys with Silvervine over catnip. 
- 3.** Effects of Silvervine can last 5-30 minutes. 
- 4.** Cats have been observed returning to Silvervine within 20 minutes. 
- 5.** Cleans cat's teeth and keeps breath fresh. 

Studies have proven that Silvervine is more potent, invokes a stronger euphoric response, appeals to a wider percentage of cats, and offers more health benefits than catnip.

Just spending a few minutes with Silvervine can benefit a cat's physical and mental well-being.

Silvervine is the hottest new trend in cat entertainment and relaxation.

Be the first store to introduce this exciting new product to your customers.
